

TASUED HEALTH CENTRE NAMED AS COVID 19 VACCINATION CENTRE

A PATIENT RECEIVING MEDICAL CARE AT THE UNIVERSITY HEALTH CENTRE

To prevent the fourth wave and to curtail the spread of COVID 19 among the populace, the Ogun State Government through the Ogun State Primary Health Care Development Board (OGPHECADEB) has flagged off massive vaccination for Staff and Students of all Tertiary institutions in the State.

The Board noted that TASUED being a Premier University of Education and also with the kind of facility available at its Health Centre, it has been designated as a health facility for the vaccination exercise.

Members of the University Community who have not been vaccinated are thus implored to visit the TASUED Health Centre from Monday, 15th November 2021, between the hours of 9:00 am and 2:00 pm every day.

The Director, TASUED Health Services, Dr Olugbenga Okusanya assured all members of the University Community that the Covid 19 Vaccine Is safe.
